

International EVRICup Committee calls for expansion with teams from France and Switzerland

THE ITALIANS ORGANIZED A FANTASTIC EVENT IN CASTIGLIONE DELLA PESCAIA

Castiglione della Pescaia – The largest veterans tournament of Europe, the European Veteran Rollerhockey Invitational Cup, this time in the Italian city Castiglione della Pescaia from 8 to 10 October, has been a great success. The matches in the categories 35 + and 50 + gave many play-and viewing pleasure for the players and spectators in Palazzetto Caso Mora. In the category 35 + C.T. Barcino from Barcelona showed to be the strongest team while in the 50 + category the Italian H.C. Castiglione della Pescaia Veterani was the best.

The Jaime Labory Memorial Cup

The Spaniard Jaime Labory, who died in 2008 was one of the founders of the European Veteran Invitational Cup in 2003. Out of respect for this man the Jaime Labory Memorial Cup is set in 2009 and this time the trophy went to the organizer of the 15th Edition of the EVRICup, Hockey Club Castiglione della Pescaia.

International EVRICup Committee

To streamline such a large event is the participating teams composed a Committee. The Dutchman Ben Veerman (Zaandam) leads the International EVRICup Committee (I.E.C.), which especially in the months leading up to a new edition of the EVRICup has frequent contact with the organizing committee. During the event there is a delegates meeting where representatives of the participating teams discuss and update the rules of the EVRICup.

Following editions

In order to give sufficient organization preparation the following EVRICup editions are already established. The annual event will be in 2011 in Sintra (Portugal). Netherlands (Valkenswaard) is the host in 2012 and in 2013 the event will take place in Herne Bay (England).
