Contactadress general EVRICup website : info@evricup.com

Financial account number of the I.E.C. : will be published and given by the Organizing Club after approval of the I.E.C.

04.04 Actual information about the EVRICup circuit

The I.E.C. starts since 2009 a website with actual information about the EVRICup circuit. The address of the official general website is : www.evricup.com

04.05 EVRICup editions

Starting in the calendar year 2011 there is one edition each year. A edition can be held in the spring of autumn of that year. The event will take place on the days Wednesday, Thursday, Friday and Saturday (total 4 competition days). The event could possibly start on Tuesday with games for participating teams with a short trip to the location of the EVRICup edition. Maximum participators in the 35+ category is 16 teams in 4 groups (groups colors red, blue, green and yellow) and maximum participators in the 50+ category is 8 teams in 2 groups (orange and black).

International EVRICup Committee (I.E.C.)

04.06 Culture moment

A special moment for the participators is the culture moment in the area (city or region) of the EVRICup edition. Organization at a moment during the edition of the culture moment is in hands of the organization committee of that present EVRICup edition.

04.07 Delegates meeting

Due the strong growth of the event there are good agreements and rules become necessary. To put this in the right direction there is for the start of each EVRICup edition a delegates meeting. This meeting is held on the Wednesday of the event from 14.00 hour-15.30 hour and is managed by the I.E.C. During the meeting all participants submit proposals and questions. The official language is English. The organizationcommittee proposes a space available for this meeting (at last 30 seats). The secretary of the I.E.C send one week before the meeting a concept agenda by e-mail to the contactpersons. The maximum invitation limit is 2 delegates each 35+ and 50+ team.

04.08 Requirements participating teams

For the category 35+, the players have to be 35 years or older at the first competition day of the edition they participate in. For the category 50+, the players have to be 50 years or older at the first competition day of the edition they participate in. During the delegates meeting on Wednesday the I.E.C. receives the players list of the delegates and before the first game each team (35+ and 50+) there is a passport/identity control on the rink. The following procedure applies:

1. 15 minutes before the start of their first game collects the 35 + team (players and team manager) at the I.E.C. verification table and the team members makes a I.E.C. line up;
2. a I.E.C. member takes a picture of the team members;
3. the team manager provides a line up format and give the I.E.C. the passports/ID's and associated of the team;
4. the team manager calls from left to right, the names of the players and the I.E.C. member checks out the Passport/ID and mark the player on the line up format.
5. the team consisting of these players which have been proposed by the team manager shall be entitled to participate in the 18th edition of the EVRICup.

04.09 The rollerhockey accommodation

The European Veteran Rollerhockey Invitational Cup edition must be held in a international (covered) rollerhockey accommodation near (< 100 km) a international airport.

04.10 Rules of the game

The EVRICup competitions 35+ and 50+ follow the rules of the game Rink-Hockey. These rules of the game had been approved in the General Assembly of CIRH held in Yuri-Hongo / Japan on October 8th, 2008 and updated on June 2009.

04.11 Referees

The status of the referees must be a national federation quality. In all the games at last 2 referees, on the final day games 3 referees (1 referee for the team errors). The referees used the International Rink-Hockey Refereeing Manuel 2009, a document prepared by CERH's technical Commission in cooperation with CIA/CIRH.

04.12 Adresses delegates

The secretary of the I.E.C. have the most recent list of address of the delegates of the participators in the EVRICup circuit. You can request the secretary of the I.E.C. to send the most update version.

International EVRICup Committee (I.E.C.)

04.13 Responsibility

The I.E.C. and the organization committee of the present EVRICup edition can not be jointly and severally liable.

04.14 Contribution participating teams

The present EVRICup organization committee has the possibility to ask a financial contribution at the participating teams in the situation that the organization committee has problems to fit the event budget : teamcontribution between the 150,= and 250,= euro each team at 12 players and delegates.

Payment arrangement enrollment fee:

- time 0: a team is invited by the organization committee to participate in an edition of the EVRICup;
- time 0 plus 4 weeks : is the outward date of a written confirmation of the invited team;
- time 0 plus 6 weeks : is the outward date that the registration fee must be paid into the financial account number as approved by the I.E.C.

If a team withdraws 8 to 5 weeks before the start of the event, 50% of the entry fees received will be returned.

If a team withdraws 4 to 0 weeks before the start of the event, 0% of the entry fees received will be returned.

A EVRICup edition may not be a profitable financial event. If the financial final statement indicates that profit is created, the organization committee has to donate this amount to the youth roller hockey department of the club which has organized the relevant EVRICup edition. 3 months after the end of the event, the organization committee has to disclose the amount and the manner of spending to the I.E.C. The result will be communicated through the general website of the EVRICup.
